This appendix contains information required under the Listing Rules to be included in an explanatory statement to accompany the notice of the Annual General Meeting at which a resolution is to be proposed in relation to the repurchase by the Company of its own Shares. Its purpose is to provide Shareholders with all the information reasonably necessary for them to make an informed decision on whether to vote for or against the ordinary resolution approving the Repurchase Mandate at the AGM.

## **REPURCHASE MANDATE**

At the Annual General Meeting, an ordinary resolution will be proposed to approve the Repurchase Mandate. Under the Repurchase Mandate, the number of Shares that the Company may repurchase shall not exceed 10% of the number of shares of the Company in issue on the date the resolution granting the Repurchase Mandate is passed. As at the Latest Practicable Date, there were an aggregate of 5,326,179,615 Shares in issue. Subject to the passing of the proposed ordinary resolution for the approval of the Repurchase Mandate and assuming that no further Shares are issued and no Shares are bought back and cancelled after the Latest Practicable Date and up to the date of passing the relevant resolution, prior to the date of the Annual General Meeting, this would accordingly allow the Company under the Repurchase Mandate to repurchase a maximum of 532,617,961 Shares. The Repurchase Mandate will end on the earliest of (i) the conclusion of the next annual general meeting; (ii) the expiration of the period within which the next annual general meeting is required to be held by the Bye-laws or any applicable laws of Bermuda; or (iii) the date on which such authority is revoked or varied by an ordinary resolution of the Shareholders at a general meeting of the Company.

The Listing Rules permit companies with a primary listing on the Stock Exchange to repurchase their shares on the Stock Exchange subject to certain restrictions, the most important of which are summarised below:

### **(a) Shareholders' approval**

The Listing Rules provide that all proposed repurchases of shares by a company with a primary listing on the Stock Exchange must be approved in advance by an ordinary resolution, either by way of general mandate or by specific approval of a specific transaction. The Shares to be repurchased must be fully paid up.

### **(b) Source of funds**

Repurchases must be funded out of funds legally available for the purpose in accordance with the Company's memorandum of association and Bye-laws and the applicable laws in Bermuda. A listed company may not repurchase its own shares on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

It is presently proposed that any repurchase of Shares would be made out of capital paid up on the Shares, funds of the Company which would otherwise be available for dividend or distribution or out of the proceeds of a fresh issue of Shares made for the purpose and, in the case of any premium payable on such repurchase, from funds of the Company otherwise available for dividend or distribution or from the Company's share premium account.

There might be a material adverse impact on the working capital requirements of the Company or the gearing position (as compared with the position disclosed in the audited financial statements of the Company set out in the Company's annual report for the year ended 31 December 2022) in the event that the Repurchase Mandate is exercised in full. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse impact on the working capital requirements of the Company or the gearing positions which in the opinion of the Directors are from time to time appropriate for the Company.

**(c) Reasons for repurchases**

The Directors believe that it is in the best interests of the Company and its Shareholders for the Directors to have a general authority from Shareholders to enable the Company to repurchase Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and its earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders as a whole at the relevant time having regard to the circumstances then prevailing.

**(d) General**

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their close associates have any present intention to sell any Shares to the Company or its subsidiaries if the Repurchase Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange that they will exercise the power of the Company to make purchases pursuant to the proposed resolution in accordance with the Listing Rules and the applicable laws of Bermuda. The Directors wish to state that they have no immediate plan to buy back any Shares pursuant to the Repurchase Mandate.

If, as a result of any repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert, depending on the level of increase of such Shareholders' interest, could obtain or consolidate control of the Company and may become obliged to make a mandatory offer in accordance with rule 26 of the Takeovers Code. Save as aforesaid, the Directors are not aware of any consequences which would arise under the Takeovers Code as a consequence of any repurchases pursuant to the Repurchase Mandate.

No core connected person of the Company has notified the Company that he/she/it has a present intention to sell Shares to the Company, nor has he/she/it undertaken not to do so if the Repurchase Mandate is approved by the Shareholders.

**REPURCHASE OF SHARES**
